

Opiniofy Login Instructions

Welcome to Opiniofy, the ultimate platform for sparking intellectual dialogues, sharing opinions, and influencing others, all while having a blast! Directing our users to the login page has been a challenge, so we have decided to create a set of instructions on how to login. Once an account is logged into our database, there shouldn't be a need to re-sign in, unless the member has been logged out. **Do not click the buttons that are titled 'login'**, as they will only direct you to the signup!

- 1. Open the Polls and Threads page**
- 2. Scroll down and try to make a comment**
- 3. Follow the instructions for re-logging in**

We apologise for the inconvenience in the login page setup, and are in the process of getting it up and running again. We hope you enjoy engaging on our platform, and we welcome you to the Opiniofy Fam! Should you have any questions or concerns, please feel free to reach out to us through email, Instagram or Tik Tok. All are linked on the platform!
